What is ATT?

Aloha Teen Theatre (ATT) provides free education and performance opportunities for ages 13 to 18, regardless of background, status, or financial need. ATT responds to teens' needs by connecting real-world skills to exploring the creative and performing arts in a setting that encourages meaningful self-expression.

ATT also offers a unique opportunity for teens to collaborate and build valuable relationships with others who share similar interests- especially during these isolated times.

Whether teens have had theatre training or not, there's no judgment in ATT! This is a TEEN-LED space where everyone's experience is supported through cultivating an empowering setting to explore and express themselves at their own pace!

While we miss performing on stage, having ATT run as a virtual program this semester opened an exciting opportunity to welcome ALL BIG ISLAND TEENS who are interested in the arts to participate! This performance features teens from Kona to Hilo to Na'alehu, and have been a joy learning and connecting with one another online!

JOIN US NEXT SEMESTER!

Are you between ages 13-18 and interested in pursuing a career or learning more about the creative and performing arts industries?
